PHCG Select Stallion Service Program 2019

Registration of stallions for the Futurity- and Maturity Program 2019 of the Paint Horse Club Germany e.V.

I would like to register my stallion for the Select Stallion Service Program 2019 and apply for admission.

I have added a copy of the original Certificate of Registration of the stallion

The deposit amount of

- 600,00 Euro (I am not providing a breeding to my stallion for the stallion service auction)
- 300,00 Euro (I am providing a breeding to my stallion for the stallion service auction)

(In case my offered breeding does not get auctioned off before February 28, 2019: in order to have my stallions offspring eligible for the PHCG SSSP 2019, I will pay the remaining 300,00 € before June 30, 2019.)

is to be transferred to the above account of the PHCG. The stallion will be considered eligible for SSSP 2019 when the deposit amount has been credited to the SSSP account. **Deposit must be received by 31.10.2018 (including participation in the stallion tombola)**

Please fill out the registration legibly (clearly) and in block letters! Don't forget the copy of the CoR !

Stallion

Payee (if not the same as the owner)

The text and the picture for the advertisement in the SSSP 2019 catalog in the WESTERN HORSE should be transmitted online directly to the publisher. The PHCG Futurity 2019 Registration Form will be available soon at www.western-horse.de, please fill out the form truthfully (show results, etc.) and send it online to the publisher. You can also directly upload the picture for the stallion catalog there. The online registration along with the picture upload must be made no later than October, 31 2018, the registration and money transfer must also be sent to the Futurity Management by that date. In case of delayed delivery of the requested data, there is no entitlement to a promotion in the stallion catalog.

This registration is valid exclusively for the breeding season 2019 / foal-year 2020

With my signature I accept the currently valid rules & regulations of the PHCG Futurity - and Maturity - Program.
